

Barcelona, 4 March 2020

In accordance with the indications of the General Counsel of Dentist, and supporting the recommendations of the Ministry of Health, that is instructing to all members not to attend to any big audience sanitary event, due to the sanitary risk created by the appearance of the Coronavirus COVID-19 potential infection, and in agreement with the sponsoring company Ilerimplant-GMI, we are very sorry to inform about the temporal suspension of the First GMI International Dental Implantology Symposium to be held in Marrakech next June 5th and 6th.

This is a temporal suspension, and we expect to held this Symposium within next coming months, when the whole situation will be under full control, and the infection risk is going to be eliminated.

Dr. Juan Manuel Aragonese  
Symposium President

Dr. Vicente Ferrer  
Scientific Committee President

Dr. José María Arano  
Organizing Committee President
